Skilled Personnel in Our Workforce Pool

Why RA Energy Group

1 Experienced & Skilled Team

Verified project histories and certifications across every discipline.

2 Fast Workforce Mobilization

Rapid shortlisting and deployment once a requirement is confirmed.

3 Regional Presence

Operations across Singapore, Batam (Indonesia), Malaysia, Turkey, India

4 Safety-First, Quality-Certified

ISO 9001, ISO 45001, and ISO 29001 certified operations.

5 Reliable Project Delivery

On-time, on-budget execution for EPC contractors and operators.

6 Trusted Industry Partner

Delivered for BW Offshore, WASCO, SLB, LEWA, ABB Turkish Petroleum, TOTAL.

OUR VALUED CLIENTS: **BW Offshore • WASCO • SLB • LEWA • ABB • Turkish Petroleum • TOTAL**

Core Services

MP

Technical Manpower

Engineers, supervisors, inspectors, technicians, and skilled workers for project execution.

EI

E&I Installation & Testing

Cable tray, cable laying, termination, panel works, testing, and pre-commissioning.

FB

Mechanical & Fabrication

Skid/module fabrication, mechanical installation, and construction support.

MI

Inspection & QA/QC

Site inspection, verification, punch support, and documentation coordination.

PC

Commissioning Support

Loop checks, function tests, punch clearance, and handover assistance.

VM

Mobilisation Support

Work visa, travel, accommodation, and local project coordination support.

How We Work

From mobilisation to handover — a consistent process for every project.

1

Requirement Review

Scope, discipline, schedule, and site need review.

2

Resource Planning

Select suitable personnel and project support resources.

3

Mobilisation

Coordinate documentation, visa, travel, and site deployment.

4

Site Execution

Support construction, inspection, testing, and coordination.

5

Quality & HSE

Maintain safe working practices and documentation control.

6

Close-Out Support

Assist punch clearance, handover, and final documentation.
